HONOUR YOUR SUCCESS

A Message from the Founder

“To me, building a company is like a big hike in the mountains. While hiking, you start your route without a map, and you keep going until you get to the top. Along the way you will encounter gaps and rocks, which will make you take a step back or will force you to take a different path to get back on the right track. During this mountain hike, keeping your ‘focus’ is one of the most important aspects. Therefore, in 2013, I decided to take a new path to get back on the right track and to focus completely on The Chesterfield Brand. While doing this I set a new goal: creating a stylish and timeless leather collection that is affordable for a very broad audience.

To achieve this, we believe that the key to success is a fair price-quality ratio and above all: to make the customer the centre of our focus.”
— Koos Hoving CEO

The Brand

With The Chesterfield Brand, we want to prove that things can be done differently and that the combination of affordability and quality does exist. By focusing on both our product and conditions under which the people, that are involved with our production process, live and work in, we create a situation that benefits all parties optimally.

Alongside a flawless eye for great design and a commitment to affordability, our designs are based on the following principles: independence, ambition, and the rewards brought about through hard work, conviction and a fearless spirit. All of this leads to our inspirational motto: “Honour Your Success” - because above all, you deserve to look this good. #honouryoursuccess

The Product

Leather a very fascinating product. You must see, smell and feel it, only then you can judge whether you have a nice piece of leather in your hands. Most products of The Chesterfield Brand we use cow leather, that is processed in different ways. This process is very determinant for how a bag will ultimately look like.

Through years of cooperation and intensive contact, we see our leather producers as a partner. There is a direct connection with the production facility. Hence, The Chesterfield Brand has a major influence on the quality and durability of the leather. This quality can only be guaranteed by being closely involved in the process in which a hide is made into a bag. No leather hide is the same which makes every bag unique.

We are proud to announce that we are officially members of the Leather Working Group (LWG). This membership underscores our commitment to responsible production, transparency, and environmentally conscious practices.

Our Team

The Chesterfield Brand is doing well and that is why our team is growing. We started with a handful of people, and now there are about 27 people working for our beautiful company. You might know some of them because they visit you (the representatives) or because you occasionally speak to them by telephone or e-mail (Back office). We also have a few other important departments: Logistics, Finance, Customer Care, Purchase and Marketing. Together we form The Chesterfield Brand and we are happy to assist you every working day!

SIENNA SOFT SERIES

The leather used for the Sienna Soft Series is known for its soft and comfortable feel, with a smooth surface and a natural look. After tanning, the leather is milled to make it extra supple, then carefully hand-waxed to create warm, rich colours with a subtle depth. The final polishing step gives it a light shine and a refined finish. The result is a leather type that feels pleasant to the touch, looks natural, and has a calm, elegant character that only becomes more beautiful over time.

ANTIQUE BUFF

The Antique Buff Crumbled series is crafted from buffalo leather, a type of hide generally known for its superior durability. In collaboration with the tannery, The Chesterfield Brand has developed a special treatment process that maintains the leather's suppleness without losing the distinctive buffalo hide grain. Since machine spraying only achieves a uniform color, this leather is hand-sprayed to achieve the desired shade. This technique results in a so-called 'two-tone' effect.

WAX PULL UP

Discover the 'Wax Pull Up' collection from The Chesterfield Brand – a true homage to craftsmanship and heritage. It is our most used leather type, and for good reason. Crafted with meticulous attention, each piece begins its journey with a careful pressing process. The leather is then enriched by hand with aniline dyes, deeply infused with natural oils and waxes instead of conventional paints and pigments. This unique treatment allows the dyes to penetrate the pores of the leather, enhancing its natural texture and gradually developing a distinctive vintage patina. Each piece in the 'Wax Pull Up' collection showcases leather that is treated solely with waxes, avoiding any spray-on colors. This not only ensures an exceptionally durable product but also allows the leather to retain its rich color and superior quality over time. Our commitment to this process guarantees that each item remains as unique and supple as it is long-lasting. Discover the 'Wax Pull Up' collection – a true testament to The Chesterfield Brand's dedication to excellence.

The Chesterfield Brand®
HONOUR YOUR SUCCESS

ZUNA Suitcase Collection

The Chesterfield Brand Suitcase Collection

For years, we tested, refined, and reimagined. We challenged ourselves to wait, to walk away when perfection was not yet in reach. And now, after relentless dedication, we proudly present a suitcase that finally meets our highest standard - one that embodies the craftsmanship and timeless character you've come to expect from The Chesterfield Brand.

Built for the Road to Success

More than just luggage, this collection is a celebration of achievement and ambition. Each suitcase is crafted from resilient polycarbonate, refined with supple cow leather, and designed to endure every journey while carrying your story forward. With silent 360° wheels, a smooth telescopic handle, and a secure TSA lock, it is the perfect balance of strength, elegance, and innovation.

THE CHESTERFIELD BRAND FOUNDATION

Since 2020, The Chesterfield Brand Foundation has been committed to making a positive impact through social projects. Educational inequality remains a persistent issue, leaving many children without the necessary resources to succeed in school. For families already struggling to make ends meet, even basic school supplies can be out of reach. At The Chesterfield Brand Foundation, we believe that every child deserves an equal chance to thrive, regardless of their background.

Over the past years, we have funded the construction of a new school, provided essential learning materials, and supported teachers in India. We also raised funds for food packages for struggling families and financed educational resources for children in the Netherlands.

BECOME AN AMBASSADOR !

Everyone deserves a hopeful future. Your support is a step towards a better future for underprivileged children. Only together will we give these children the opportunities they deserve. Your support today makes a lasting difference for tomorrow.
