SIENNA SOFT SERIES

The leather used for the Sienna Soft Series is known for its soft and comfortable feel, with a smooth surface and a natural look. After tanning, the leather is milled to make it extra supple, then carefully hand-waxed to create warm, rich colours with a subtle depth. The final polishing step gives it a light shine and a refined finish. The result is a leather type that feels pleasant to the touch, looks natural, and has a calm, elegant character that only becomes more beautiful over time.

ANTIQUE BUFF

The Antique Buff Crumbled series is crafted from buffalo leather, a type of hide generally known for its superior durability. In collaboration with the tannery, The Chesterfield Brand has developed a special treatment process that maintains the leather’s suppleness without losing the distinctive buffalo hide grain. Since machine spraying only achieves a uniform color, this leather is hand-sprayed to achieve the desired shade. This technique results in a so-called ‘two-tone’ effect.

WAX PULL UP

Discover the 'Wax Pull Up' collection from The Chesterfield Brand – a true homage to craftsmanship and heritage. It is our most used leather type, and for good reason. Crafted with meticulous attention, each piece begins its journey with a careful pressing process. The leather is then enriched by hand with aniline dyes, deeply infused with natural oils and waxes instead of conventional paints and pigments. This unique treatment allows the dyes to penetrate the pores of the leather, enhancing its natural texture and gradually developing a distinctive vintage patina. Each piece in the 'Wax Pull Up' collection showcases leather that is treated solely with waxes, avoiding any spray-on colors. This not only ensures an exceptionally durable product but also allows the leather to retain its rich color and superior quality over time. Our commitment to this process guarantees that each item remains as unique and supple as it is long-lasting. Discover the 'Wax Pull Up' collection – a true testament to The Chesterfield Brand's dedication to excellence.
